

CMC Seminar – Shanghai Nov. 9
“Semiconductor Materials
Challenges In and Out of China”
for CMC Members, Fabs and the
Semiconductor Supply Chain

- ***Focused on the Developing Semiconductor Materials Supply Chain in China and Its impact on the World***

We look forward to seeing you there!

- **Seminar Location:**
- Holiday Inn Shanghai Pudong
899 Dong Fang Road, Pudong Shanghai 200122
P. R. China

CMC Seminar, Shanghai 2016

November 9, Holiday Inn Pudong, Shanghai

“Semiconductor Materials Challenges In and Out of China”

AGENDA	
8:30 AM	Registration – Opening Comments at 9:00 AM
9:05 AM	Keynote Presentation by Texas Instruments – Joel Strupp* <ul style="list-style-type: none">Supply Chain Challenges for Fabs & Material Suppliers in China
9:35 AM	Intel Corporation F68 - Daniel Wu <ul style="list-style-type: none">Semiconductor Material Challenges in China
10:05 AM	Lita Shon-Roy, President of TECHCET <ul style="list-style-type: none">China’s Impact on the WW Materials Supply Chain
10:35 AM	Break – Sponsored by AUECC
10:50 AM	Ingrid Shi, Secretary General, ICMT* <ul style="list-style-type: none">The China Materials Supply Consortium and China’s 5 Year Technology Plan
11:20 AM	Eric Xiong, Director, Industrial Chemical Sector, CIRS* <ul style="list-style-type: none">China REACH and Associate Regulations
11:50 AM	Lunch – Sponsored by Cryoin
1:00 PM	Honggen Peng, Logistics Manager, Air Liquide* <ul style="list-style-type: none">Logistics Supply Chain Challenges
1:30 PM	Jeff Jang, Product Quality Manager, Air Liquide <ul style="list-style-type: none">Managing Supplier Quality in Asia/China
2:00 PM	John West, VLSI Research <ul style="list-style-type: none">Equipment Consumables Components Company Perspective
2:30 PM	OPEN <ul style="list-style-type: none">Open
3:00 PM	Break
3:15 PM	Mike Walden, Director & Sr. Market Analyst, TECHCET <ul style="list-style-type: none">WW Silicon Wafer Market Status and Outlook
3:45 PM	Dr. Richard Chang, CEO, Zing (Shanghai New Semiconductor Technology, Ltd)* <ul style="list-style-type: none">Status & Challenges of Building a 300mm Wafer Factory in China
4:15 PM	Panel Discussion* <ul style="list-style-type: none">Logistics and Customs ConstraintsSustainability and Environmental Responsibility in ChinaChina Government Funding for Non-Chinese Companies
5:00-7:00 PM	Reception (food & drink) – Co-Sponsored Event by Peric/718
